

How to Participate in the CALReUSE Regulatory Process

The Notice of Proposed Rulemaking Action, advertised on Friday, September 26, 2008, clearly identifies the regulatory changes and the time period for the Authority to receive and consider public comment.

All comments must be submitted in writing for those comments to be considered by the Authority. Interested persons may submit written comments relevant to the Proposed CALReUSE Regulations to the Authority. Comments should be sent to:

calreuse@treasurer.ca.gov

or

California Pollution Control Financing Authority
Attn: Deana Carrillo, Program Manager
915 Capitol Mall, Room 457
Sacramento, CA 95814
F: 916.657-4821

The public comment period ends at **5:00pm on November 12, 2008**. A **public hearing** is scheduled for **Wednesday, November 12, 2008** from **1:00-3:00pm** in room 587 at 915 Capitol Mall, Sacramento, CA 95814.

In the event that changes are made to the CALReUSE Program Regulations during the written comment period, the Authority will also accept additional written comments limited to any changed or modified Amended CALReUSE Program Regulations for fifteen (15) calendar days after the date on which such amended CALReUSE Program Regulations, as changed or modified, are made available to the public.

Additional information on how to participate in the rulemaking process can be found at the [Office of Administrative Law's website](#).
